When I grow up I want to be a dancer. I want this job because I love to dance and have a fun time. I will do this by going to college and learn about dance and it's history.

Ms. Mimi / Dance Teacher

Miss. Tutu

I noticed that the students learned a lot, even me. I thought I wouldn't be able to dance because I was so shy. But Ms. Mimi helped me find the fun dancing bring. In fact she helped the whole class. I saw beautiful dances from the class today including plies coupé, passé and tendus.

Thank you.

Dear MS. Mimi,
you are the best Dance teacher in the universe. Dance is one of my favorite subjects! I love learning about the mirror dance, the scarf dance, and the sunshine dance. You inspire me to do my best! You are very kind and I love your Attutide. You teach us very good stuff and I like that about you! ☺!
